

## 2024 Spiritual Formation Group for Cross Cultural Workers

Laura Baber is inviting you to the spiritual formation group for those serving in cross cultural work/ministry. Whether you are preparing to go, in service, on home leave or in transition, this is a contemplative gathering that offers you a soft place to land.

There is no registration fee. You are welcome to invite anyone who might need this gentle community.

In each gathering we will seek to center and seek connections with our selves, God, and each other. We typically use sacred text, quiet, and reflection in small groups, all bathed in listening prayer.

In 2024, we will gather on the following Fridays (3<sup>rd</sup> Friday of each month) at 7:30 a.m. EST.
