

Create!

9 -10 a.m. Eastern Time, Thursdays

Create! is a time reflection and creative expression that emerges when we become still and know God (Ps. 46:10). **Artistic skill is not required.**

We are not about perfectionism or performance. We simply gather, enter into the quiet and see where the Spirit leads us in color, words, doodles, or simply from being in community.

All are welcome! Gather your tools (pen, paper, color, collaging material, clay, or nothing at all!) and join in this space of grace. Registration not required.
