A regular visitor to Orchard Hill says: *"The Center at Orchard Hill is a wonderful oasis, sitting on top of a mountain away from the noise and bustle of everyday life. The solitude it offers is a perfect setting to quiet the soul and open one to a peaceful communion with the Almighty. I have been privileged to enjoy many classes and retreats over the years at the Center. There is a certain holiness and spiritual fullness to the place that opens one's heart and senses to the beauty of God's creation - including oneself. I always leave there with a wonderful feeling of peace, able to say, 'It is well with my soul'."*
